Volunteers have a special place in our school and assist in many ways.

At Forest Hill State School we value your gift of time.

We ask for confidentiality:

- when working with students or providing feedback (Please seek guidance if you are uncertain of requirements asked of you by the classroom teacher).

- about any problems (in either the classroom or playground), or disclosures from students reported to the teacher. (At no stage should you deal with any issues involving your child or another child).

- of personal information about students and their families and staff or incidents that may have occurred.

To help make our environment safe please observe safe work practices, avoid unnecessary risks and report any hazards.

I, as a volunteer, understand and agree to abide by the statements above.
